DATE 13 FEBRUARY 1957

FROM Chief of Base, Pullach

INFO: COS, FOB

SUBJECT { GENERAL Operational/UPSWING/CART/CARETINA  
SPECIFIC LENTZ Information on CARETINA

REF: EGFW-3236, 14 Dec 1956

ACTION REQUESTED: Cable clearance to pass information in reference to UPSWING/

1. The confusion in LENTZ's revealed by reference is appalling. The only document which stands out clearly from the rest is the interrogation report on LENTZ, Waldemar and KURFESS, Hans in Att. F. We are convinced PAULSEN is PANNWITZ and have indeed paused per paragraph 4 of reference.

2. We would like to be able to pass the contents of Att. F to UPSWING or at least such parts as indicate reservations on PANNWITZ's political sympathies. At the same time, if we could pass sterilized traces on LENTZ we could possibly clear up many of the question marks by a joint UPSWING/KUBARK comparison.

3. Dr. @CTFO is very much worried about the LENTZ/PANNWITZ contact and wishes to clarify the background of LENTZ whom he considers even more suspicious than PANNWITZ.
